# **Development Matters 2020**

# 3-4 Year Olds

# Communication and Language

- Enjoy listening to longer stories and can remember much ofwhat happens.
- Pay attention to more than one thing at a time, which can be difficult.
- Use a wider range of vocabulary.
- Understand a question or instruction that has two parts, such as "Getyour coat and wait at the door"
- Understand 'why' questions, like: "Why do you think the caterpillar got so fat?"
- Sing a large repertoire of songs.
- Know many rhymes, be able to talk about familiar books, and be able totell a long story.
- Develop their communication, but may continue to have problems with irregular tenses and plurals, such as 'runned' for 'ran', 'swimmed' for 'swam'.
- Develop their pronunciation but may have problems saying:
- some sounds: r, j, th, ch, and sh
- multisyllabic words such as 'pterodactyl', 'planetarium' or 'hippopotamus'
- Use longer sentences of four to six words.
- Be able to express a point of view and to debate when they disagreewith an adult or a friend, using words as well as actions.
- Start a conversation with an adult or a friend and continue it formany turns.
- Use talk to organise themselves and their play: "Let's go on a bus... you sit there... I'll be the driver."

# **Expressive Arts and Design**

- Take part in simple pretend play, using an object to represent something else even though they are not similar.
- Begin to develop complex stories using small world equipment like animal sets, dolls and dolls
  houses etc.
- Make imaginative and complex 'small worlds' withblocks and construction kits, such as a city with different buildings and a park.
- Explore different materials freely, to develop their ideas about how to use them and what to make.
- Develop their own ideas and then decide whichmaterials to use to express them.
- Join different materials and explore different textures.
- Create closed shapes with continuous lines, and beginto use these shapes to represent objects.
- Draw with increasing complexity and detail, such as representing a face with a circle and including details.
- Use drawing to represent ideas like movement or loud noises.
- Show different emotions in their drawings and paintings, like happiness, sadness, fear etc.
- Explore colour and colour-mixing.
- Listen with increased attention to sounds.
- Respond to what they have heard, expressing theirthoughts and feelings.
- Remember and sing entire songs.
- Sing the pitch of a tone sung by another person ('pitch match').
- Sing the melodic shape (moving melody, such as upand down, down and up) of familiar songs.
- Create their own songs or improvise a song aroundone they know.
- Play instruments with increasing control to expresstheir feelings and ideas.

#### **Personal, Social and Emotional Development**

- Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen, or one which is suggested to them.
- Develop their sense of responsibility and membership of a community.
- Become more outgoing with unfamiliar people, in the safe context of their setting.
- Show more confidence in new social situations.
- Play with one or more other children, extending and elaborating play ideas.
- Find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas.
- Increasingly follow rules, understanding why they are important.
- Remember rules without needing an adult to remind them.
- Develop appropriate ways of being assertive.
- Talk with others to solve conflicts.
- Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'.
- Understand gradually how others might be feeling.
- Be increasingly independent in meeting their own care needs, e.g. brushing teeth, using the toilet, washing and drying their hands thoroughly.
- Make healthy choices about food, drink, activity and toothbrushing.

### **Mathematics**

- Develop fast recognition of up to 3 objects, withouthaving to count them individually ('subitising').
- Recite numbers past 5.
- Say one number for each item in order: 1,2,3,4,5.
- Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle').
- Show 'finger numbers' up to 5.
- Link numerals and amounts: for example, showing the right number of objects to match the numer al, up to 5.
- Experiment with their own symbols and marks as wellas numerals.
- Solve real world mathematical problems withnumbers up to 5.
- Compare quantities using language: 'more than', 'fewer than'.
- Talk about and explore 2D and 3D shapes (for example, circles, rectangles, triangles and cuboids) using informaland mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round'.
- Understand position through words alone for example, "The bag is under the table,"
   with no pointing.
- Describe a familiar route.
- Discuss routes and locations, using words like 'in frontof' and 'behind'.
- Make comparisons between objects relating to size, length, weight and capacity.
- Select shapes appropriately: flat surfaces for building, a
- triangular prism for a roof etc.
- Combine shapes to make new ones an arch, a biggertriangle etc.
- Talk about and identifies the patterns around them. For example: stripes on clothes, designs
  on rugs andwallpaper. Use informal language like 'pointy', 'spotty', 'blobs' etc.
- Extend and create ABAB patterns stick, leaf, stick, leaf.
- Notice and correct an error in a repeating pattern.
- Begin to describe a sequence of events, real or fictional, using words such as 'first', 'then...'

## **Physical Development**

- Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills.
- Go up steps and stairs, or climb up apparatus, using alternate feet.
- Skip, hop, stand on one leg and hold a pose for a game likemusical statues.
- Use large-muscle movements to wave flags and streamers, paint and
- make marks.
- Start taking part in some group activities which they make up forthemselves, or in teams.
- Increasingly be able to use and remember sequences and patterns of movements which are related to music and rhythm.
- Match their developing physical skills to tasks and activities in the setting. For example, they decide whether to crawl, walk or run acrossa plank, depending on its length and width.
- Choose the right resources to carry out their own plan. For example, choosing a spade to enlarge a small hole they dug with a trowel.
- $\bullet \ \ \text{Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks.}$
- Use one-handed tools and equipment, for example, making snips inpaper with scissors.
- Use a comfortable grip with good control when holding pensand pencils.
- Show a preference for a dominant hand.
- Be increasingly independent as they get dressed and undressed, for example, putting coats on and doing up zips.

# Literacy

- Understand the five key concepts about print:
- print has meaning
- print can have different purposes
- we read English text from left to right and from top to bottom
- the names of the different parts of a book
- page sequencing
- Develop their phonological awareness, sothat they can:
- spot and suggest rhymes
- count or clap syllables in a word
- $\bullet \hspace{0.1in}$  recognise words with the same initial sound, such as money and mother
- Engage in extended conversations aboutstories, learning new vocabulary.
- Use some of their print and letter knowledgein their early writing. For example: writing a pretend shopping list that starts at the top of the page; writing 'm' for mummy.
- Write some or all of their name.
- Write some letters accurately.

# **Understanding the World**

- Use all their senses in hands-on exploration of natural materials.
- Explore collections of materials with similar and/or different properties.
- Talk about what they see, using a widevocabulary.
- Begin to make sense of their own life-storyand family's history.
- Show interest in different occupations.
- Explore how things work.
- Plant seeds and care for growing plants.
- Understand the key features of the life cycle of a plant and an animal.
- Begin to understand the need to respect and care for the natural environment and allliving things.
- Explore and talk about different forcesthey can feel.
- Talk about the differences betweenmaterials and changes they notice.
- Continue developing positive attitudes about the differences between people.
- Know that there are different countries in
- the world and talk about the differences they have experienced or seen in photos.
