

Invaders and Settlers

In this topic we learn about Britain's ancient past and the Celtic Tribes that ruled in their Hill Forts. We find out about the Roman Empire with its amazing technology and what happened when it reached our shores. We will also find out about how the Vikings sailed the World, raided Britain and made it their home.

Helping at home.

In this topic we are trying to encourage children to ask questions about the past. Talk about some of the pictures and how they might have changed the lives of people in the past.

Family Challenge.

Is there anything in our local area that is from our ancient past? A Hill Fort, road or settlement?

History and Geography

- Periods of history BC.
- People who have invaded and settled.
- Suitable places for settlement.
- About the development of trade, towns and roads.

Numeracy

- Finding the difference.
- Place value.
- 3 and 4 digit numbers.
- Written addition and subtraction.
- Multiply and divide by 4 and 8.

Science - Rocks and Soils

- Types of rock and their uses.
- How rocks are formed and shaped.
- Separating rocks and soils.
- How metal is shaped.

Literacy

- Extracting information from books and Video.
- Develop a non-fiction style to writing.
- Making notes.
- Write a best version after making changes.
- Write as if you are living in the past.

ICT

- Write a 'Blog' as a diary of learning.
- Save and retrieve files.
- Use on-line learning tools.
