

Victorian Times

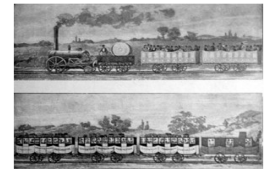

Children going to work from the age of 4, teachers using canes in schools, doctors proscribing leeches and having to bathe in a cold tin bath! Well at least we can go to the seaside by steam train this weekend! Welcome to the Victorian Times – a time of wonderful inventions and creativity, discoveries and many changes in homes, schools, work-places and cities.

Family Challenges

Who is this lady? Why is she famous?

Are there any Victorian inventions that we still use today?

Was the cane the only punishment in school?
