

Dear God,  
Just as many hands build a house,  
many hearts build a school.  
Help us to look after each other,  
to take care of each other.  
To be honest and forgiving.  
To respect each other and be polite to  
each other, as no matter what we look like,  
or where we come from.  
We are all a part of the family of St. Chad's.  
Amen.
