

Home learning Activities

Spring 2 Turrets and Tiaras.

To support the learning in school please complete **at least 3** of these activities over the course of this half term. You can choose to do one per week if you would like.

- If you were a King or Queen where would you live? Design a palace/castle.
- Are there any local castles in our area? Grab a map or use google maps and using your knowledge of symbols from last term, see how many you can find.
- What stories do you know about Kings, Queens, castles and dragons? Can you write a short summary of your favourite story?
- Quick Maths - use hit the button to keep your Maths skills on fire!
[Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](https://www.topmarks.co.uk/Hit-the-Button)
- Can you find out more about the Scientist who invented the Macintosh coat? Present your findings anyway you would like.
- Can you make a collage of a face from using different features cut out of magazines and newspapers?
- Can you find out about the Royal family? Can you make a family tree to show who is in your own family?
- Design a royal crown or a coat of arms to present your family.
- Sing along with this song to help learn your number pairs to 20. [Hey 20 You've got a lot of friends \(The Friends of 20\) Album version - YouTube](https://www.youtube.com/watch?v=...)
- Our Class animal is a dolphin, find out more information about dolphins. What is their favourite foods? How big are their families?

Don't forget to do you reading every day for 10 minutes and make sure you complete your weekly English and Maths tasks in your booklet.

Sometimes there will be an activity added to Purple Mash, but the children are developing independence and will come home and say when they need to log on for these activities. 😊
