

Home learning Activities

Summer 1 Time team detectives

To support the learning in school please complete **at least 3** of these activities over the course of this half term. You can choose to do one per week if you would like.

- Can you design your own time machine? Where would it take you?
- If you could travel back in time who would you visit. Which century would you go to and why?
- What stories do you know about time travel? Can you write a short summary of your favourite story?
- Quick Maths - use hit the button to keep your Maths skills on fire!
[Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](https://www.topmarks.co.uk/Hit-the-button)
- This term we will be looking at how plants grow. Can you plant some seeds and take care of them?
- Write a diary about how they grow over the weeks, measure and record any observations you make about your plants.
- What is your favourite ice-lolly? Travel back in time and find out what your parents and grandparents used to eat when they were your age.
- In DT we will be learning about chopping, peeling and cutting. With an adult can you help to prepare some vegetables or fruit for a meal or a snack?
- Sing along with this song to help learn your number pairs to 20. [Hey 20 You've got a lot of friends \(The Friends of 20\) Album version - YouTube](https://www.youtube.com/watch?v=...)
- Our Class animal is a dolphin, find out more information about dolphins. How many different types of dolphins can you find out about?

Don't forget to do you reading every day for 10 minutes and make sure you complete your weekly English and Maths tasks in your booklet.

Sometimes there will be an activity added to Purple Mash, but the children are developing independence and will come home and say when they need to log on for these activities. 😊
