

Home learning Activities

Summer 2 Sensational Safari

To support the learning in school please complete **at least 3** of these activities over the course of this half term. You can choose to do one per week if you would like.

- Can you walk to Africa? Use a map and have a look at which oceans and countries you would travel through.
- Can you find out how many countries make up Africa?
- What stories do you know set in Africa? Look up some short stories online. Can you write a short summary of your favourite story?
- Quick Maths - use hit the button to keep your Maths skills on fire!
[Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](https://www.topmarks.co.uk/Hit-the-button)
- How does your garden grow? Where do you find weeds in you garden? Plan and watch to see how they change.
- Are dandelions useful? Investigate this question.
- Listen to some African drumming. Can you make your own African drum?
- In Art we will be blending different sunsets. Can you look at the sunset and describe the colours you see?
- Our Class animal is a dolphin, but which is your favourite African animal and why?

Don't forget to do you reading every day for 10 minutes and make sure you complete your weekly English and Maths tasks in your booklet.

Sometimes there will be an activity added to Purple Mash, but the children are developing independence and will come home and say when they need to log on for these activities. 😊
